**REQUEST FOR CORRECTED FILING RECEIPT TO CORRECT  
CORRESPONDENCE FILING DATE FOR "DATE-IN"  
INCORRECTLY ENTERED ON EXPRESS MAIL LABEL**

Sir:

Enclosed is a copy of the Official Filing Receipt (Appendix A) received from the  
PTO for the above application for which issuance of a corrected filing receipt is respectfully  
requested. As will be demonstrated below, this application was filed on November 21, 2003,  
not November 20, 2003 as listed on the Filing Receipt.

Attached hereto as Appendix B is the Express Mail label for the application  
documents that were filed on November 21, 2003. The "Date-In" entry on Express Mail  
Label No. EL975170935US was erroneously recorded by the U.S. Postal Clerk as  
November 20, 2003.

Attached hereto as Appendix C is a copy of the Application Transmittal as filed in the  
PTO, which shows the date on which the application documents were mailed under Express  
Mail Label No. EL975170935US.

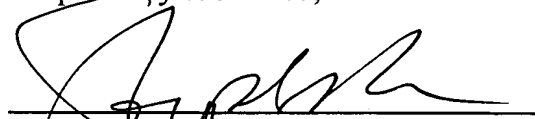

Attached hereto as Appendix D is a copy of an Express Mail Log from the U.S. Postal  
Service clearly indicating that "Express Mail Label No. EL975170935US" was deposited  
with the U.S. Postal Service on November 21, 2003.

In view of the foregoing, Applicants respectfully request that the filing date be corrected to read November 21, 2003. Applicants should not have to incur the expense of any U.S. PTO Petition fee in connection with this matter, since the error is on the part of a U.S. postal employee.

If the PTO refuses to correct the filing date, Applicants respectfully request that the PTO clearly mark its file to reflect entry of this paper, so that it is clear the Applicants informed the PTO of the correct filing date for this application.

Should the appropriate official at the U.S. PTO have any questions concerning this matter, he or she is requested to telephone Applicants' undersigned representative.

Respectfully submitted,

**LICENSE FOR FOREIGN FILING UNDER  
Title 35, United States Code, Section 184  
Title 37, Code of Federal Regulations, 5.11 & 5.15**

**GRANTED**

The applicant has been granted a license under 35 U.S.C. 184, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" followed by a date appears on this form. Such licenses are issued in all applications where the conditions for issuance of a license have been met, regardless of whether or not a license may be required as set forth in 37 CFR 5.15. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless an earlier license has been issued under 37 CFR 5.15(b). The license is subject to revocation upon written notification. The date indicated is the effective date of the license, unless an earlier license of similar scope has been granted under 37 CFR 5.13 or 5.14.

This license is to be retained by the licensee and may be used at any time on or after the effective date thereof unless it is revoked. This license is automatically transferred to any related applications(s) filed under 37 CFR 1.53(d). This license is not retroactive.

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Export Administration, Department of Commerce (15 CFR 370.10 (j)); the Office of Foreign Assets Control, Department of Treasury (31 CFR Parts 500+) and the Department of Energy.

**NOT GRANTED**

No license under 35 U.S.C. 184 has been granted at this time, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" DOES NOT appear on this form. Applicant may still petition for a license under 37 CFR 5.12, if a license is desired before the expiration of 6 months from the filing date of the application. If 6 months has lapsed from the filing date of this application and the licensee has not received any indication of a secrecy order under 35 U.S.C. 181, the licensee may foreign file the application pursuant to 37 CFR 5.15(b).
